We are always open to new members, age 16 and over, who have an interest in seeing how theatre can enhance their life. We pride ourselves on providing a supportive environment to allow people to surprise themselves on what they are capable of. If you are interested in acting, directing, script writing, set design and build, costume, props, sound, lighting, hair and makeup, front of house, training or charitable events, please consider joining us here one Sunday evening from 6-9pm! Alternatively, email us at bispham.castaways@gmail.com or phone 01253 353224 for more information.
