

# GOD GOES TO A SHRINK BY HUGH O'BRIEN

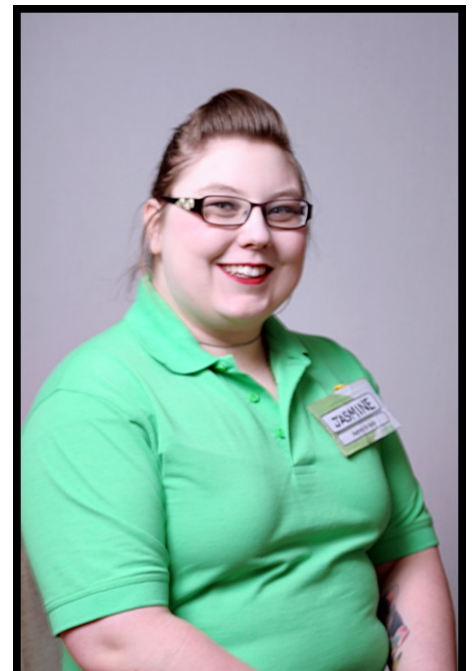

In the offices of Dr Peter Fox, a clinical psychologist who specialises in treating religious delusions, he's feeling distracted when his dotty Secretary, Nareena, allows Jasmine to barge in straight from work at ASDA's deli counter claiming to be God! The doctor thinks it's a setup while Nareena wants her Bible autographing and Jasmine wants to talk about train sets. Watch out for a revelation about Ken and Barbie!
