How It Works

You can compete in the whodunnit and quiz by yourself or in a team of up to 6 people. After Act 1, hot pot will be served. Following Act 2, apple pie will be served and suspects will mingle through the tables so you can question them. When Act 3 concludes the play, the characters will lineup so you can grill them further. After the lineup, you will be asked to fill in the whodunnit sheet which will be collected and marked ready for the final reveal of the murderer and the announcement of the winner. **Please note the figure is just a representation and does not indicate the murderer in any way.**

The lower deck open area surrounds the ship
so can link each area together
